

## Chatham Rotary Auction Casino Saturday, May 18, 2019

### DONORS WANTED

The Chatham Rotary Auction Casino will be an evening of fellowship and fun and an opportunity to raise funds to benefit our community and beyond. As event host, the Chatham Rotary Club is actively seeking donations of auction items.

The event will include Casino Games, Silent Auction, and Live Auction. The event will begin with an online auction at [www.ChathamRotaryClub.com](http://www.ChathamRotaryClub.com). Items will be listed on the auction website from the time they are received until the live event. The items will then be cataloged and displayed at the event along with donor recognition.

We request that all items have at least a \$50 retail value and the Chatham Rotary Auction Committee reserves the right to approve all donated items. The deadline for item donation is March 15, 2019.
